Dear Sharon

I wish to put in writing our sincere appreciation of the service you and all the staff at Absolute Apparel has provided us over the past 18 months. In particular the personalised service that you personally have provided us.

We greatly appreciate you coming out to our office enabling our staff to try on the uniforms before an order is made. This certainly makes the whole ordering process so much simpler and quicker and we know that the uniforms are going to fit perfectly when they arrive.

We look forward to dealing with you and the staff at Absolute Apparel in the future.

Yours faithfully,
EAST COAST LAWYERS
