Dear Sharon and the Absolute Apparel Team,

I just wanted to take the time out to thank you and your company for the time and effort you have all put into our latest 2010 crew merchandise range. As you where aware it was my first time organizing merchandise stock for our customers rather then just our staff and immediate customers. The help and suggestions you made gave me the confidence to order the amounts we did and thus exceeded our sales expectations. Your professionalism has been greatly appreciated and the turn around time from point of order was exceptional.

Hopefully you can share this letter with prospective future customers as I know that your company is the only one I want to handle our apparel and look forward to dealing with you more in the near future.

Kind Regards
