To Whom It May Concern:

Premion has been sourcing uniforms for our Radiation Therapist staff from Sharon Gatty at Absolute Apparel since 2006. Our staff of approximately eighty is located at three sites in Brisbane as well as two on the Gold Coast and one on the Sunshine Coast.

We have always enjoyed a high level of service from Sharon from supply of a range of trial uniforms to all sites, to an uncomplicated ordering process and fast reliable supply of our order. In four years we have not had any part of an order delivered incorrectly and any small defects are rectified very quickly.

Another important feature of dealing with Absolute Apparel is that they supply good quality garments at very competitive prices. This coupled with the quality of service provided means that I have no hesitation in recommending them as a uniform supplier.
