To Whom It May Concern:

I have known Sharon Gatty of Absolute Apparel for over five years. Sharon's position with the company is as a Sales Executive who manages the sales operation of the business.

Sharon goes out of her way to supply corporate clothing and corporate equipment on an extremely professional personal basis.

She has always supplied samples of the clothing to ensure all staff are satisfied with the clothing prior to purchase.

Sharon has also supplied our Rotary Club with corporate shirts which again she presented samples for all members to try prior to purchase. Her efforts to arrange a consensus of opinions with over thirty male members reflects her great sales talent.

I am able to unconditionally recommend Sharon as a great representative of her company who makes every effort to ensure her clients are cared for in a personal and professional manner.

We enjoy doing business with Sharon and her company and appreciate her great support.

Yours truly,

Rod Fry
