SAMPLE POLICY & ORDER FORM

Dear Valued Customer,

Thank you for your enquiry regarding uniform samples.

We have an extensive range of the most popular garments available in our showroom that we are able to offer you as samples. If you select any garments that we are unable to provide you a sample for, we will explore all similar options and let you know what we have available. Should we still be unable to supply a similar garment, we can order items in for you as a special order only with your consent. As you will appreciate, if a special order is required, you will not be able to return those garments.

Please list the garments you wish to consider on the form below, along with your contact and credit card details. Your credit card will be processed for the cost of the garments and freight to the address you have provided.

Once you return the samples, you will be refunded for the garments only (excluding special orders) provided the garments are returned in good condition. Samples should be returned in the same condition as when you received them. If this is not the case, you will not be refunded for damaged or soiled garments.

Please ensure samples are to be returned within 2 weeks of despatch. If you have any queries regarding the garments or to place an order, please contact our office.

We look forward to hearing from you soon.

Kind regards,

Sharon Gatty
